GOOD NEWS FOR HOMEMAKERS

Conserving Fuel in Food Preparation

How will you be coping with all of the crisis affecting the family food supply?

Just as you've learned to substitute less tender cuts of meat and mature beans and peas which require a good bit of cooking for more expensive cuts of meat with shorter cooking times, you are told that you need to use less fuel for cooking. So what are you to do?

If money is limited, you don't have a choice. Saving fuel does not make more money available for food. In fact, the increasing cost of fuels of all kinds may mean that less money is available. And food is the fuel source for humans. So continue to stretch the food dollar. At least the moisture and heat which escape as by-products of food preparation help with heating in the winter months.

You can maximize the use of cooking appliances. If you're heating the oven to cook a roast, plan to cook vegetables in the oven as well. Carrots, potatoes (sweet and white), onions, turnips, and apples can be cooked in the same pan with the roast. Add to the roast so that all will finish cooking at the same time.

Or prepare fresh, frozen or canned vegetables as you would for top-of-the range cooking but put in a covered baking dish and place in the oven. It will take longer for vegetables to cook in the oven -- approximately an hour in a 350°F. oven for frozen vegetables to thaw and reach the just-done stage.

Cakes, cookies, rolls, or other baked items can also be included in the oven meal. If baking temperatures are different then time these to bake at the beginning or end of the oven heating period.

Many items such as meats and vegetables can be started in a cold oven. The cooking time may be slightly longer but the end product will be quite satisfactory. Preheating is necessary for baking breads, cakes, pies and cookies.

Note how long it takes the oven to preheat to various temperatures. Do any needed rearrangement of oven racks before preheating. Resist the temptation to open the oven door frequently to check on progress.

Foods from the freezer to be cooked or heated should be thawed first to shorten the cooking time. But to be sure to thaw in a way that insures the safety and quality of the product. Thawing in the refrigerator is the preferred method. And you'll get a bonus as the cold dispersed from the food will help to keep the refrigerator cold.

It does take fuel to operate a freezer, but the convenience of being able to buy in advance should save fuel and time for shopping trips.

1 - 3 ounce pkg. cream cheese
1 pkg. Dream Whip
1 can angel flake coconut

Mix sugar, flour, and pineapple juice and beaten egg. Cook till thick and add cheese. Stir till smooth -- let cool. Mix 1 pkg. Dream Whip as on box directions and fold into mixture. Spread this over jello mix and sprinkle coconut over the top. Let chill.

Meeting with a representative of Ambassadors For Friendship, Dick Lovell of New York, second from the left above, on Wednesday of last week were Mayor Henry B. Pack, left above, and Rev. J. J. Bowman, interim pastor of Liberty Baptist Church; and Mrs. J. Franklin Vaughan, on the right, Director of the Liberty Youth Singers.

Mr. Lovell Discusses Poland Tour With Liberty Youth Singers

On last Wednesday evening, the Liberty Youth Singers, their parents and friends, and their director, Mrs. J. Franklin Vaughan, met with a representative of the Ambassadors For Friendship. The representative, Mr. Dick Lovell, was welcomed to our community by Mayor Henry Pack, Rev. J. J. Bowman, interim pastor of Liberty Baptist Church; and the Poland Concert Tour Committee of the church.

Mr. Lovell informed the director that in each town and at each concert she would be presented with a bouquet, a key to the city or some other gift of welcome from Polish Officials. She in turn will present a good will gift to them donated by our town and an official letter of greeting from Mayor Pack.

The Singers were informed that a favorite breakfast of the Polish people would be an egg omelet made with dried carrots and peas. They were also informed that the Polish people would go to every extreme to make them welcome and comfortable. After each concert they are expected to be greeted with embraces and requests for autographs. They will sing in indoor concert halls and outdoor arenas as well as in cathedrals and temples. The priest of the country are arranging for the singers to spend one night in the home of a Polish family. When they leave this residence the family will give to the singers a treasured possession that they may have worked many years to obtain The singers will leave a gift with the Polish family at their departure to show their love and friendship and concern.

Many customs and ways of life will be experienced by the singers as they travel approximately 2,000 miles within the country of Poland.

This is the first time Americans have been invited to Poland and the Ambassadors organization is predicting royal treatment.

Pioneering as Ambassadors For Friendship from the United States, as singers from Appomattox County, and as Christian young people from Liberty Baptist Church, will be a treasured privilege, a fantastic opportunity, an unequaled cultural experience and an exceptional education exchange.

The Singers will use for their repertaire, spirituals, youth folk tunes, American pop and show tunes. Approximately fifty are planning to make the tween Cullen and Madison-ville. Saturday, April 27, from 6 to 8 p.m. we will serve turkey dinner with dressing, gravy, candied sweet potatoes, congealed salad, coffee and tea - for only $2.00. Bring the whole family! There will also be a children's plate for $1.00 and a hot dog plate for 75 cents.

We will have a short "dramatic performance" at 7 p.m. We have all the necessary ingredients for a memorable show; the little old ladies of the Benevolent Society; an evil villian; a travelling salesman; a family of hillbillies which includes the lovely and innocent Little Nell, and of course, the hero who arrives in the nick of time. We will also award a few door prizes.

The money raised will go to the Centenary United Methodist Building Fund. We guarantee good food, good friends and a good time. If you wish to reserve plates, call 542-5207 or 248-5758 one evening soon.

VOTE FOR

☒ RONALD C. SPIGGLE

I wish to make a brief statement to all my friends and fellow citizens of the town of Appomattox. On May 7 we will be electing six people to the Town Council -- I am hoping that you will elect me to one of those seats for several reasons, the chief one being that I was born and have lived and worked here most of my life. I am very much concerned with the present conditions, as well as the future growth and development of our town.

Our fast growing town need not outgrow its citizens. At times a community will mushroom too fast and in doing so will tend to overlook the average citizen and small businessman. You and I want our voices heard in the decision-making that will affect us.

I firmly believe that the voice of all the people should be heard regarding major decisions that are made by the town council. Therefore, may I suggest that an agenda of the town council meetings should be published at least seven days in advance of a meeting and controversial matters should be discussed at public hearings BEFORE council members vote. In this way council members can hear the "voice of the people" and better serve the citizens of our town.

If you elect me to town council, I will honestly do my best to serve the citizens of our town with integrity. Your support will be greatly appreciated.

Ronald C. Spiggle

☒ JOHN D. (DANNY) SIMPSON, JR.

I am pleased to offer my services to the people of the Town of Appomattox as a candidate for a seat on the Town Council. I was born and raised in Prince Edward County. I have been a resident of Appomattox for the last nine years and my interests as a deeply concerned citizen and taxpayer are here.

I feel that I am qualified to understand the difficulties that this Town will face and is facing at the present time in expanding our water and sewage facilities. I am concerned about the condition of our streets and railroad crossings.

I wish to set out at this point that I am not in direct opposition to any of the incumbent candidates and that I have no personal feelings against any members of our town government. I am, however, worried about the many problems yet unsolved, the facilities to accommodate the annexed areas, the streets, the services our citizens require, and the many, many other problems our Town faces in the near future.

I consider it my duty to offer my services to our Town and I respectfully request your advice and opinions concerning Appomattox and its governmental operations. Your vote on Tuesday, May 7, 1974 will be greatly appreciated.

John D. (Danny) Simpson, Jr.
